

Skills Marketplace Pilot Project Draft Screening Criteria

Development Team: Mary Goldade, Karl Herman, Matt Langenfeld, Elaine Robles, Sandy Stavnes

Define eligible project types/categories (IT, Technical, Administrative)

Proposed Project Review Criteria:

Project Goal/Proposal...

- 1) Aligns with agency/regional priorities (e.g. EPA's 2011-2015 strategic plan elements RAC commitments, Administrator/Regional Administrator priorities). **REQUIRED.**

Addresses a gap in and/or need for additional EPA presence/resources. **REQUIRED.**
- 2) Provides reasonable expectations and anticipated key milestones, outputs and outcomes. **REQUIRED.**
- 3) Objectives are clearly stated and include the elements necessary to complete the project, and the approach has a high likelihood of successful accomplishment of the objectives within the agreed upon timeframe. **REQUIRED.**
- 4) Uses innovation to create efficiencies/effectiveness. **OPTIONAL.**
